HOW DISEASED ACTION BECOMES ESTABLISHED AND THE BLOOD IMPURE.

A great error has long prevailed in the minds of medical men.

That Impurity of the Blood is the Cause of Diseased Action. This is a serious mistake. It is a disturbance of the circulation and the establishment of diseased action that causes impurity of the Blood.

The R. R. R. theory holds the truth of the above maxims, for,

which is a congestion of the blood, arounding (sometimes) to a inflammation about the throat, owing to a previous derangulate of the circulation, and he will remember that his bowel became costive, his liver deranged, or his skin dry and his blood impure. Had he used Radway's Ready Relief when the consection was setting in, as an application to the throat, and evaluated a done of the Regulators, he would have broken up the congestion and restored the regularity on the part of the liver skin, bowels, &c., which had been broken in upon by the effects of the sore throat. Regularity heiting spain established, the impure blood is soon purified, and the circulation spain equalized and the health restored.

THE GREATEST MEDICAL DISCOVERY
of the AGE!

Mr. KENNEDY of Rozbury has discovered in one of our common pasture weeds a remedy that cures EVERY KIND of HUMOR, from the worst Scrofylia doton to a common Piante.
He has tried it in over eleven hundred cases, and never failed
except in two cases, both thunder humor. He has now in his
possession over two hundred certificates of its value, all within
twenty miles of Boston.
Two bottles are warranted to cure a nursing sore mouth.

One bottle will cure scaly emptions of the skin.

Two or three bottles are warranted to cure the most despetate eas of theumatism.

Three to four bottles are warranted to cure mit-theum.

Five to eight bottles will cure the worst case of enothia. A benefit is always experienced from the first bottle, and a perfect cure is warranted when the showe quantity is taken. Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that sommon weed growing on the peatures and along old stone walls, should cure every humor in the system; yet it is a thred face. If you have a humor, it has to start. There are no its nor ands, huma nor ha's, about it; witing some case, but not yours. I pediled over a thomsand bottles of it in the vicinity of Boston. I know the effects of it in every case. It has already done some of the greatest cure ever done in Massachusetts. I gave it to children a vest old, to old people of sixty. I have seen poor, yony, wormy looking children, whose flesh was soft and flabby, restored to perfect state of health by one bottle.

To those who are subject to a sick headache one bottle will always cure it. It gives great relief in catarrh and disances. Some who have taken it have been costive for years, and have been regulated by it. Where the body is sound it works quite easy, but where there is any derangument of the functions of nature, if will cause very simplar feelings, but you must not be alarmed; they always disappear in from four days to a week. There is never a had result trom it; on the contrary whan that recling is gore, you will feel yourself like a new person. I head some of the most extrawagant encountinus of it that ever man listaned to.

CURIOUS DIVORCE CASE.—A bill of divorce has just been granted at Detroit, the parties to the action baving lived together in that city for nearly thirty years. The gentleman's name is Brewster, and in consequence of some rupture in the family in 1853, he abandoned them—a wife and seven children—and took lodgings at a hotel. He immediately filed a bill against Mrs. B., charging her with interfering with the discipline of his children, and other acts of insubordination to his martial authority, and praying a divorce from the hends of matrimony. Mrs. B. soon presented her bill against him, charging him with extreme crueity, with habitual and log-continued outrages upon her person and her feeling—numerous beatings, and brutal conversation and demeanor. A large mass of testimony was taken in the case, and the result was that the Court dismissed his bill and granted the petition of Mrs. B. for an absolute divorce, with an allowance of alimony to Mrs. B. and her minor children of \$1,800 a year, together with the cost of both suits.
